## The way Kinza opens their door with love & happiness.

KINZA established in Kerala, India, in 2009 as one of the most trusted manufacturing and retail companies. Our products are highly cherished across the nation, thanks to their superior quality, durability, eco-friendliness and light weight and it is the unique designs that make us standout.

Kinza steel door is the archetype of all other steel doors in the door market. A steel door will be provided with an anti-theft system combining manufacturing quality, fire-resistance, style and cost efficiency. At Kinza you will get a range of steel door designs to choose from for residential and commercial purposes.
